

Central Intelligence Agency
Office of the Deputy Director for Intelligence

6 June 1986

NOTE FOR: D/CPAS

Frank,

With the reorganization of OCR the fate of the World Factbook is up in the air. I understand Helene has talked with you about the possibility of CPAS taking on the responsibility for this publication. If OCR gives you the slots and people involved is there a sensible place for this project to fit into CPAS? Please give me a call.

John L. Helgerson
Associate Deputy Director
